About Me

I am a first-year Bachelor of Science in Information Technology (BSIT) student at Laguna State Polytechnic University (LSPU). I graduated from Laguna Senior High School under the STEM strand. I enjoy playing basketball, playing musical instruments, working out, and learning about technology. I am eager to learn new skills, work well with others, and continuously improve myself both academically and personally. I am willing to take on new challenges that will help me grow and prepare for my future career in the field of Information Technology.
